

MALAD MIDDLE SCHOOL  
175 JENKINS AVENUE \* MALAD, IDAHO 83252  
208-497-5877

**Billy Kimberling is the Employee of the Month (November) for Oneida School District.**

I started working with Billy in 1990. He may have only been 10 years old and in the 4<sup>th</sup> grade but this recognition has been a long time coming. In Billy's early days I recognized him as a good kid with qualities including but not limited to hard-working, honest and dependable. Today, he retains those qualities.

Staff members say they appreciate his willingness to take on extra responsibilities to make sure the schools remain online and operating. Billy is involved with projects district wide, real and virtual. From the dark of morning to the dark of evening, Billy takes care of us. He solves our problems. Whether it be hardware, software, desktops (*#59 certified teacher class units but not counting classified, district office, building computer labs and testing centers that may double or triple that figure*) and other "district provided" computers, lap tops, Chromebooks (*#835 not counting adult devices*), phone systems, bell system, security system, classroom electronic tools (each classroom using either/or chrome cast, apple tvs, hdtvs x the number of rooms in our district), education training of: students, teachers and community presentations...Everyone benefits from his efforts.

Billy, kudos to you. It's reassuring to know that every morning, whatever may come to derail us or interfere with the learning process, you're there to keep us running.

Thank you Billy!

Sincerely,

Robert Hannah, Principal
