Paul Carter is the Employee of the Month (September) for Oneida School District.

Paul has been a gift to Malad Middle School. He can be counted on every day to do his job as well as handle whatever curve ball we would throw at him. Staff members appreciated his willingness to take on extra responsibilities. Everyone would benefit from his efforts. Paul comes to work every day with a positive attitude and it rubs off on all of us. He's one of those rare individuals that make's your work place a better place.

Paul, kudos to you. It's reassuring to know that every morning, whatever may come to derail us or interfere with the learning process, you're there to keep us running.

Thank you Paul!

Sincerely,

Robert Hannah, Principal

September 15, 2020

Dear Oneida County School Board and Superintendent Moore,

I am grateful for the opportunity to recognize Irene Carter as the Oneida School District Employee of the Month. It has been a privilege to work with Irene over the past four years, at both Malad Middle School and Oneida High School. Irene has been a dedicated employee and has always done whatever was asked of her and more. Irene has a way of showing she cares for our students, but also demands that they do their best. She tries to make school a place where students felt comfortable and welcome.

Here are just a few of the things she has done for our students:

- She worked with ISU and our students to help them get scholarships.
- When we had a student who was living on his own, she went to the Crisis Center and got food and a heater and delivered it to his house because she was concerned about his welfare.
- She decorated the school and planned celebrations for holidays, and birthdays, and graduations.
- If she thought something was needed, she would spend her own money to get it.
- When we went to online school last spring, she asked for more work to keep herself busy and scanned and organized old files for the district.

I could go on and on about Irene and her caring nature and work ethic. But, to sum it all up, I would like to give my thanks to Irene for supporting me and working tirelessly for our schools and our district, she truly is deserving of this honor and has been a dedicated and loyal employee.

Sincerely,

Wendy Alder
Oneida High School
