

ONEIDA SCHOOL DISTRICT #351

Caring & Educating.

11/20/18

Oneida School District #351
25 E 50 S, Suite A
Malad, ID 83252

Oneida School District Board of Trustees,

I am honored to write this letter of appreciation for Christy Jenkins. I have worked for Christy for the past 18 years in numerous capacities. Christy is always professional, dedicated, and positive. She has an amazing work ethic and always goes above and beyond in her duties. Christy is full of optimism and has a can-do attitude towards anything she is asked to do.

Christy is a life-long learner and one of her greatest strengths is her willingness to continually take on new responsibilities with a steep learning curve. She takes every responsibility assigned to her and makes it the best it can possibly be. Christy developed a superior math intervention program at Malad Middle School. She implemented scientific-based intervention programs, technology supports, and created teaching strategies to support student learning. I have had the opportunity to attend numerous IEP meetings with Christy and her professionalism and input was invaluable. Her commitment to collect and share student data was always a great benefit to 504 and IEP teams.

Since being hired as an IT Director in our district, Christy has been willing to take on numerous projects requiring intense training and hours of personal time to accomplish. Her focus on technology program implementation and professional development has been a significant support to all educational stakeholders in our district. Christy's expertise in integrating technology into the classroom has lifted our district to a new level of technology integration. Her dedication to her role of District Test Coordinator has given students, faculty, and staff new tools and resources to improve test scores in our district.

Christy focuses on building strong relationships with students, faculty, parents, and community members. She spends hours behind the scenes supporting technology, testing, and professional development in our district. Christy is one of those people you can always depend on and turn to in times of need. I am grateful for the opportunity to work with Christy. She is certainly deserving of the Oneida School District employee of the month honor.

Sincerely,

Terri Sorensen
Executive Director of Education
Oneida School District #351
