Dear Dr. Moore and Board of Trustees,

It is my privilege to write a letter recommending Sandra Colton be named the Employee of the Month for the Oneida School District. Sandra is a wonderful and dedicated employee and a valuable asset to the staff at Malad Elementary School.

Sandra is in our building every night as a cleaner. She always has a kind word and smile. She is very dependable. Sandra is willing to take on any task asked of her and do it to the best of her ability and with a positive attitude. She ensures that our school is clean and properly supplied to help provide the best possible experiences for our students.

Sandra is a credit to the Oneida School District. She exemplifies what an outstanding employee is.

Sincerely,

Sarah McIntyre

Sandra is always willing to go above and beyond her call of duty. She is kind, pleasant and a joy to work with and be around. I have never known her to shy away from her work even though she is sometimes asked to do things outside of her job description. She is genuinely liked and appreciated by all of us at Malad Elementary. Sandra is a great asset to our staff and does a great job of keeping things clean and safe for our students and teachers.
