Scott Ray is the Employee of the Month (November) for Oneida School District.

It is a pleasure to work with Scott Ray, every day. This is a sentiment that is shared by everyone that has the pleasure to work with him. He's the first person in the building and many days he's one of the last to leave. He brings a positive attitude. He makes it a point to reach out and meet everyone.

Scott is a veteran teacher in our school district who welcomes change. He makes it a point to master these changes. For example, technology is almost a daily challenge (examples may be but are not limited to: curriculum changes, online tools such as Schoology, grading, online teaching and all of the equipment that goes with it). Scott makes the effort to master his craft.

It's not without saying that his presence at Malad Middle School sets a positive example for all of us. He genuinely enjoys being there and has the kind of relationship with students and staff that makes the student learning experience even more enjoyable.

Thank you Scott!

Sincerely,

Robert Hannah, Principal
