

ONEIDA SCHOOL DISTRICT #351

Caring & Educating.

December 18, 2018

Dear Dr. Jean Thomas,

It is an honor and privilege to inform you that you have been nominated and selected as the “Employee of the Month” of the Oneida School District. I, along with the Oneida School Board, want to express how much we value the important role you play in our district. While not technically an employee, we recognize the many hours of service you donate to our schools. As Chair of the Oneida Education Foundation, you have been instrumental in securing thousands of dollars in donations. These funds have been generously awarded to numerous programs at our schools which have directly benefited our students. That alone would warrant this recognition, but there is much more. You also have written and continue to write many of grants for our schools. This has brought many additional dollars to our district which we have otherwise not had. As a writer for our local newspaper, you have been diligent in your reporting the many good things we have going on in our schools. Thank you for being a good friend to the district.

One of the qualities that I admire most in you is that you are humble. You never seek recognition or accolades. You work quietly behind the scenes to help the district move forward. Thank you for all the help you have given and making a difference in the lives of our students.

Sincerely,

Rich Moore
Superintendent
Oneida School District
