Re: MHS Drill Team & Booster Club

Dear Community Members,

We want to take a moment to recognize and celebrate the great achievements of our MHS Drill Team. The MHS Drill Team has had a spectacular year, including several members participating in the Macy's Thanksgiving Day Parade, placing well at their competitions, and most recently being named the Academic State Champions for 1A, 2A, and 3A schools in the state of Idaho. The Idaho Army National Guard sponsors this award and presents it to the varsity team in each classification that achieves the highest cumulative grade point average. The IHSAA congratulates these student-athletes for their outstanding academic achievement and commitment to excellence through athletics and activities. Congratulations, **Dragonetts**, on your success on and off the floor!

We also want to take a moment to recognize the Booster Club. They support and donate to the clubs and athletics at Malad High School. So far this year, they have generously donated \$7,770 as well as paid for a portion of the new sound system in the MHS gymnasium. This brings the total over \$10,000 in donations to MHS. Thank you, **Booster Club**, for being such a support to our students!

Sincerely,

Elizabeth Kent
