Re: MHS Wrestling

Dear Students, Parents, Faculty, and Community Members,

We want to make you aware of something truly incredible that has happened within the last week. Our MHS Wrestling team had a great season this year. They won the District Title of Champion last Wednesday in Soda Springs! This is the 13th District Champion Title in the previous 15 years for our Wrestling program! What an incredible program! Not only have they been the District Champions, but 12 members of our MHS Wrestling team qualified for State Wrestling this weekend!

Good Luck at State Wrestling this weekend, MHS Wrestlers! We are excited for you and know you will represent MHS and the Malad Valley with pride! We are proud you wear the Orange and Black. Pin them to the mat! Good Luck, Boys!

Sincerely,

Elizabeth Kent
