Re: Celebrating Kelly Hill and Erma Hill

Dear Community Members,

We want to celebrate the great things that happen at our schools! Occasionally you will see these alerts come through so that you know of the wonderful, positive sides of what takes place in the Oneida School District.

We first want to recognize **Erma Hill**. She has been a continued support to Stone Elementary school for you many years. She teaches the kindergartners and has continued to work well into her retirement years. We are so grateful for Erma and want to celebrate the many good things she has done and what she has given to students over these many years. Thank you Erma!

We also want to recognize **Kelly Hill**, the Oneida School District Director of Transportation. He recently applied for and successfully received a grant for over \$46,000! This money will go toward the purchase of two new school buses. Thank you, Kelly, for going above and beyond in helping the students in our district!

Sincerely,

Elizabeth Kent
