**Luke Waldron is the Employee of the Month (May) for Oneida School District.**

Luke is a veteran teacher in our school district who loves what he does. He teaches 7<sup>th</sup> Grade Geo and 8<sup>th</sup> United States History. He is passionate about history and loves teaching the students. He wants them to understand how important history is to their future.

His presence at Malad Middle School sets a positive example for all of us. He genuinely enjoys being there and has the kind of relationship with students and staff that makes the student learning experience enjoyable.

I can count on Luke to help me with anything that I ask. He always brings a good attitude and a willingness to help Malad Middle School be the best that it can be.

Thank you Luke.

Sincerely,

Robert Hannah, Principal
