**Student Handbook**  
**2021-2022**

The administration and staff of Malad Middle School welcome you to the 2021-2022 school year! It is our goal to provide you with the best education possible. This booklet has been produced to help students and parents become familiar with the rules, policies, procedures, and programs at Malad Middle School.

## ACADEMICS

**Extra Help and/or Tutoring** – Students, who need extra help in any subject, may arrange to meet with teachers before school or after school. Teachers are at the school by 7:30 am and stay in their rooms until 4:20 pm. There is an After School Program available from 3:40-5:20pm.

**Homework** – Homework reinforces class work through independent practice and extension. Teachers will ensure that assignments given have been explained in class, are at a level that enables students to work independently, and are appropriately evaluated once they are handed in to the teacher. Students should expect homework for each academic class Monday through Thursday.

**Parent/Teacher Conferences** – Conferences can be initiated by parents, teachers, or administrators. Parents who wish to consult with teachers should contact the teacher to arrange an appointment. Parents can contact the teacher through email or by calling the office. Please allow a minimum of 24 hours' notice for a meeting. Teachers may not be interrupted during class time. Parents may contact an individual teacher during that teacher's prep hour. *Formal parent/teacher conferences are held twice a year.*

**Report Cards** – *A final report card will be issued for each student at the end of the school year. Report cards will be sent electronically to parents who have a valid email.*

**Schedule Changes** – Since much advanced planning and guidance are provided for each student during registration, elective and/or class schedule changes will not be made after registration. Class changes cannot be granted to accommodate a change in a student's preference or to request a specific teacher. Requests for schedule changes are only granted if a student is misplaced in an academic area according to state test scores. The administration may, due to increased/decreased enrollment and staffing, balance classes by transferring students from one class and/or teacher to another. Every effort will be made to ensure a smooth transition for students.

**School closures due to poor weather conditions**- Decisions concerning the closure of school or alterations to the school day will be made only after careful consultation with school personnel and other appropriate agencies.

When possible, a decision on school closing will be made during the afternoon or evening prior to the day schools are to be closed.

In the event that an announcement concerning school closing must be made on the morning of the closing, these announcements will be made as close to 6:00 a.m. as possible, but no later than 6:20 a.m.

All closure announcements will be announced via email, texts and other social media venues.

**Bus procedures:**

- If a bus does not pick up within 10 minutes of the designated pick up time, the students are to return home.
- There will be times where some routes may be cancelled while others run. These route closures will be specifically announced. These students will be given an excused absence and will have opportunity given to make up any missed school work.
- Delayed start: In the event of a delayed start, all pick up times will be exactly two hours later than the normal pick up time.

## **GENERAL INFORMATION/POLICIES**

### **ATHLETICS**

1. All 8<sup>th</sup> grade & 7<sup>th</sup> grade students are allowed to participate in athletics at Malad Middle School. 6<sup>th</sup> graders are only able to participate in cross country, wrestling and track.
2. Sports offered are: Football, Volleyball, Basketball, Cross Country, Wrestling, and Track and Field.
3. At Malad Middle School we have a “pay to participate” policy. The fee to participate in each individual sport is \$40.
4. To participate in the athletic program students must have passing grades, be in good standing in the classroom and not have any disciplinary problems in the school.
5. Student athletes will maintain rules set up by the coaches of each individual sport. This includes appearance of dress, hair and hygiene. They must attend practices in order to participate in the games or matches. The coach is the only one who can excuse a player from a practice.
6. Students must ride the bus to and from the game, or match. They may ride home with parents only if a note from the parent or guardian is on file in the office before the bus leaves the school. The principal must sign the note and the coach must have a copy of the note.
7. Each athlete must have a physical on file in the office. Only one physical is needed for all three years of middle school.
8. The “pay to participate” policy does not mean that everyone receives equal playing time. Playing time will be up to each individual coach.

**Assemblies** – Grade level assemblies may be held periodically throughout the school year to promote school spirit or to provide learning experiences not included in the regular curriculum.

**Payments** – The office accepts payments and is open for student business thirty minutes before and after school and during student lunchtime. Lunch fees, elective fees, P. E. fees, and fines are paid to the office at these times. These types of transactions are not to be made by students when classes are in session. Students will not be allowed to leave class to conduct these types of transactions.

**Bicycles, skateboards, scooters, etc.** – This is a middle school campus where bikes, etc. can be stored and locked. Students riding bicycles to school must use this area. Bring a good, secure lock. Students are not allowed to lock their bike to another bike. Skateboards are not to be used on school property. Neither Malad Middle School nor the Oneida School District will assume any responsibility for the security of bicycles, skateboards, scooters, etc.

**Bus Transportation** – Bus service is provided for students who qualify. Bus service is subject to change by the Oneida School District. Students are expected to ride the designated bus for their area and behave in an orderly manner at all times. Students who do not cooperate with drivers may be denied the privilege of riding the bus. Bus drivers will not allow any non-designated rider on the bus.

**Open Campus** – Malad Middle School is an open campus. This means that students are required to be on campus when classes are in session; but may leave during lunchtime. Students are allowed to leave campus during other times of the day through the office and only with a parent/guardian.

**Deliveries and Messages** – Instructional time will not be interrupted for the delivery of messages to students. Emergency messages will not be accepted from anyone other than a parent or legal guardian. Parents may bring lunch money or other school necessities to the office, which will then be delivered to students between classes. *Items such as flowers, gifts, balloons, etc. will not be delivered to students. Such items will be left in the office and the student can pick them up there.* Decoration of lockers to celebrate special occasions is permitted.

**Field Trips** – The administration reserves the right of final determination of student eligibility for field trip participation based on academic performance, attendance, and behavior. Any student who is on suspension may not attend or participate in any school related event or field trip. Students are expected to follow all Malad Middle School and school district rules and regulations when participating in any school related event or field trip. In order for a student to participate in a field trip, a Field Trip Permit signed by the parent/guardian and a Medical Release signed by the parent/guardian must be returned to the school prior to the field trip.

**Fire /Lock Down/Earthquake Drills** – Fire drills and lock down drills are required by law and conducted on a regular basis. Exit route maps and/or directions are posted in each room. When the fire drill or lock down drill occurs, students are expected to follow directions quickly and quietly, and move to or remain in designated areas until notified.

**Health Concerns**– There is no health aide on duty. A student who becomes ill must obtain a pass from his/her teacher and report to the office. The office staff will contact a parent/guardian if it is necessary for the student to go home. Under no circumstances are students to leave campus without permission from the office.

**Library** –The library is open during school hours, including lunch. During classes, students may use the library only with the permission of a teacher. Using the library and any material within it is a privilege. If a student is not working, does not follow instructions, or fails to respect the rights of others in the library, that student will be sent back to class and may lose library privileges. Each

student may check out up to two books at a time. The Media Center Specialist can make exceptions for students who are working on school projects for more than two books at a time.

**Fines** – If library books are not returned on time, a fine of 10 cents per school day will be charged, and library privileges may be suspended.

**Lost Materials** – If a book or any material is lost, the student must pay for the book/material plus, an additional \$5 re-cataloging and covering fee. If the student brings a replacement book, it must be in excellent condition, of the same caliber (hardcover for hardcover, paperback for paperback), and the \$5 re-cataloging fee must also be paid. This \$5 re-cataloging fee helps the library purchase replacement items for cataloging, such as labels, book covers, and spine labels

**Student Usage** – Students at MMS are allowed to check out books from the MHS library and vice versa. For an MMS student to check out a book/material from the MHS library, it will need to be approved by the Media Center Specialist. For a student from MHS to checkout book/material from the MMS library, it will need to be approved by the Media Center Specialist. Students will pay their overdue charges or lost material fees to the library where the book/material was checked out. The student will make the request to the library in their building, and the Media Center Specialist will handle it from there.

**Lockers** – Students have assigned lockers. No sharing or switching of lockers is permitted. Valuables are not to be placed in lockers, as the school assumes no responsibility for the loss or theft of items from lockers. Lockers are to be clean and free of graffiti and/or stickers. Lockers remain the property of the school and school officials reserve the right to examine the contents for reasons of health, safety, and security without notice. Students also have separate PE lockers and are assigned combination-type locks. Students are charged a replacement fee of \$4.00 if P.E. locks are lost or stolen. P.E. lockers remain the property of the school and may be opened and the contents examined by authorized personnel at any time. Students cannot share lockers or give others their combination.

**Lost and Found** – All lost and found items are stored in the main office. Items not retrieved within two weeks will be donated to charity.

**Breakfast/Lunch** – Breakfast is available from 7:30am-7:45am in the high school cafeteria. Students may report to the cafeteria during their lunch period. Students have the option of bringing or buying lunch. Choices of hot lunches are available in the cafeteria as well as vending machines that carry drinks and snacks. To participate in the hot breakfast/lunch program, students need to bring a check or cash to school. ***Students are not permitted to “charge” lunches. It is important for parents to frequently check lunch balances and insure they are kept current.*** Free and reduced lunch applications may be obtained from the office. Specific instructions about lunch procedures will be reviewed with students at the beginning of the school year. General policies include:

Violations of the cell phone policy will be dealt with as follows:

1<sup>st</sup> offense: Phone is confiscated. Parent is called. Parent must come to office to retrieve phone and phone is not allowed in school for remainder of that day.

2<sup>nd</sup> offense: Phone is confiscated. Parent is called. Parent must come to office to retrieve phone. Phone is not allowed in school or at school functions outside of school for five (5) school days.

3<sup>rd</sup> offense: Phone is confiscated. Parent is called. Parent must come to office to retrieve phone. Student loses privilege of having cell phone at school permanently.

Any student using cell phones in a harassing manner (text or verbal) will be punished under the zero tolerance policy.

**Student Chromebooks** -Students will be issued a Chromebook at the beginning of the school year. Each student is responsible for their own device. Parents and students will be required to sign a Chromebook agreement before the device is issued to the student. Oneida County School District and Malad Middle School are not responsible for the damage, loss or theft of these Chromebooks. Students are responsible for any damage done to their Chromebook and will be responsible for any cost of repairs. Any misuse of these devices in class may result in loss of privileges of the Chromebook. Students are not allowed to have their own devices in the classroom without the teacher's permission.

**Elections**-In May of the school year student-body and class elections are held at the middle school. All students running for an office must have a GPA of 2.5 or higher. Student-body elections will consist of a president, vice-president, secretary, historian and two business managers. All grades will vote for the student-body officers. The faculty and administration of the middle school will elect the business managers.

Class elections will be held a week after the student-body elections. Each grade will vote for their individual class officers which will include a president, vice-president, secretary, boys' representative and a girls' representative

For both student-body and class offices the student must obtain a petition from the office manager and get the required signatures from other students. This petition must be returned to the office before elections.

**Skateboards/Valuables/Personal Items** – Students riding skateboards, roller blades, and manual scooters to school are not permitted to do this on school property. Once students arrive to school, these items must be stored in the student's locker or in the classroom of an agreeing teacher. No office or staff member will assume responsibility for storing or watching personal items. Valuables

or large amounts of money are not to be brought to school. The school assumes no responsibility for the loss or theft of such items.

**Visitors on Campus** – Parents/guardians are welcome to visit the Malad Middle School campus and/or their child’s classrooms. When visiting Malad Middle School, parents should sign in at the front office and obtain a visitor’s badge. Parents should sign out when they leave and repeat this procedure during each visit. If parents want to visit classrooms, as a courtesy, please notify the school 24 hours in advance of the visit. Siblings, cousins, friends, or other student-age visitors **will not be permitted on campus during the school day.** Former students wishing to visit teachers may visit after 3:40 p.m.

## **SCHOOL-WIDE DISCIPLINE**

The discipline plan utilized at Malad Middle School is designed to stress positive attitudes and behaviors and to create respect among staff and students. All students are expected to behave appropriately while at school and during extracurricular activities. The administration and faculty of Malad Middle School recognize and appreciate the fact the majority of students conduct themselves in a positive and constructive manner. In order to guarantee an excellent learning environment for all students, the following school-wide discipline plan has been adopted. It is based on the expectation that no student will interfere with teacher instruction, another student’s right to learn, or engage in any behavior that is not in his/her best interest or in the best interest of others. When students engage in inappropriate behavior, they will be subject to a range of disciplinary actions based on the nature of the infraction, the number and types of behavioral referrals, and the frequency at which the student is referred for disciplinary actions. This range includes, but is not limited to, student conferences, detentions, required parent conferences, formal suspensions, and referral to alternative education. While information contained in this section of the handbook addresses many of the possible acts or behavior that may affect the mission, process, or function of the school district, it is not intended to be inclusive.

**IN AN EFFORT TO KEEP THE MALAD MIDDLE SCHOOL STUDENTS AND STAFF SAFE, MMS HAS ADOPTED A ZERO TOLERANCE POLICY FOR:**

- Campus disruptions/disturbance
- Gang activity
- Harassment
- Vandalism
- Possession of controlled substances
- Possession of weapons or facsimiles
- Intimidation/threats

**ZERO TOLERANCE MEANS IF A STUDENT IS GUILTY OF COMMITTING ANY OF THE ABOVE INFRACTIONS, THAT STUDENT FACES POSSIBLE ARREST, REFERRAL TO AN ALTERNATIVE SETTING, AND/OR EXPULSION.**

**Arson** – Arson is the willful burning of any part of the school building or property therein. This behavior will result in disciplinary action.

**Campus Disruptions** – Any student engaged in behavior or acts resulting in the disruption or obstruction of any mission, process, or function of the school district will be subject for disciplinary action.

**Classroom Disruptions** – Students causing classroom disruptions or any other type of behavior that inhibits student learning are subject to disciplinary action.

**Controlled Substances/Drugs/Alcohol** – The selling of all drugs or any substance represented to be a drug will result in disciplinary action. Use and/or possession of alcohol or illegal drugs will result in an automatic referral to Oneida County Sheriff's Department.

**Bullying/Disrespect** – Any disrespectful or inappropriate comments, gestures, or acts directed at school personnel or fellow students will result in disciplinary action. This includes, but is not limited to, acts that intimidate, disrupt, disgrace, degrade, or insult any individual.

**Hands-Off Policy** – Malad Middle School maintains a “hands-off” policy. Everyone is required to keep their hands to themselves. This applies to horseplay, play fighting, public displays of affection, and other inappropriate or aggressive behavior. Students who do not adhere to the “hands-off” policy will be subject to disciplinary action.

**Harassment** – Harassment is any verbal, visual, or physical conduct that is sufficiently severe, persistent, or pervasive that it adversely affects, or has the purpose of interfering with the student's educational program or creates an intimidating, hostile, or offensive school environment. Harassment of or by students, staff, or third parties in the school community is strictly prohibited and will result in disciplinary action. Many types of conduct may show evidence of harassment. Common types include, but are not limited to, unwanted touching, blocking a person's normal movements, threats, slurs, verbal abuse, derogatory comments, drawings, pictures, or gestures, unwelcome jokes, teasing or propositions, graphic comments about an individual's body, spreading rumors about educational environment, or any act of retaliation against an individual who reports a violation of the district's sexual harassment policy or who participates in the investigations of a sexual harassment complaint. Retaliatory behavior is considered a type of harassment. Any student who feels that he/she is a victim of harassment by a school district employee, should immediately contact any school official. Harassment in any form against students by either a student or a school district employee is grounds for severe disciplinary action.

**Immoral Conduct** – Any student who commits or attempts to induce others to commit an immoral act will be subject to disciplinary action. If it appears that a law has been violated, the student shall also be referred to the police.

**Insubordination** – Students must comply with directions of school officials. This includes, but is not limited to, providing false information, failing to identify oneself when asked, and/or failure to report to a specified location when directed to do so. Any student who fails to comply with these directions will be subject to disciplinary action.

**Intimidation/Threats** – A student or group of students shall not willfully or maliciously engage in a course of conduct that would cause a reasonable student, teacher, and/or school employee to

feel terrorized, frightened, intimidated, or harassed. Any student or group of students who subjects another to such treatment will be subject to disciplinary action.

**Physical Abuse/Assault** – A student shall not intentionally cause physical injury to any person, nor intentionally behave in such a way as could reasonably cause physical abuse or assault of an individual. Such behavior shall result in severe disciplinary action and possible criminal charges.

**Physical/Verbal Altercations** – Physical and/or verbal altercations of any nature will not be tolerated and will automatically result in disciplinary action.

**Public Displays of Affection** – Public displays of affection are not appropriate on a school campus and are prohibited.

**Robbery/Extortion** – The taking of anything of value from another by use of threat or force will result in expulsion.

**Smoking/Smokeless Tobacco** – Smoking and/or chewing tobacco are not allowed anywhere on the MMS campus.

**Spray Propellants** – Spray propellants such as mace and pepper spray are not allowed on campus.

**Tardy Policy** – Students will be considered tardy if they are not in their assigned classroom and/or seat when the tardy bell rings. Instructional time is valuable, and tardies are a disruption to the educational process. Students arriving late to school are to sign in at the office and then report to their class. Students arriving tardy to class are to sign the class tardy sheet. Signing the tardy sheet is mandatory. If a student does not sign the student log and the teacher marks him/her absent, the absence will stand. Students with excessive tardies may be placed on teacher or principal's detention, parents may be called, and they may be subject to a required parent conference.

**Theft/Vandalism** – Any incident of theft, extortion, vandalism, or destruction of school property (including graffiti) will be investigated and will result in severe disciplinary action and arrest. Students will be required to make full reimbursement or restitution for any loss.

**Toys, Games, and Other Nuisance Items** – Students are advised not to bring items to school that interrupt or disrupt the educational process of themselves or other students. Music devices, video games, beepers, electronic devices or accessories, and toys of any kind are not appropriate for school. If a toy, game, or electronic device is confiscated, a parent will have to reclaim it from the principal.

**Weapons/Simulated Weapons** – Student may not have weapons or simulated weapons on the way to and from school; at or on the way to or from a school activity, function, or event; or at school. If a student is found in possession of a weapon, the student will be referred to the appropriate law enforcement agency and suspended from school until a thorough investigation is completed. Expulsion will be recommended for possession, use, transmittal, or concealment of any weapon. Weapons are defined as firearms, knives, explosives, inflammable materials,

simulated weapons, or any other items that may cause bodily injury or death. BB and pellet guns, pocket guns, pocket knives, and fireworks are considered weapons. Simulated weapons include, but are not limited to, any “toy” or nonfunctional implement, which bear a substantial visual resemblance to any item defined by the Oneida School District #351 regulations as a weapon.

**Other Activities Not Allowed at Malad Middle School** – These activities include musical instrument misuse, computer misuse, gang activity, and selling candy or items to other students.

## **DISCIPLINARY ACTION**

**In School Suspension** – The principal may choose to use in school suspension over out of school suspension. The student will be assigned a place to report to and will remain there except to go to the restroom or lunch. Teachers will provide work for the student to do while in suspension.

**Suspension** – A notice of suspension will be used in cases of a serious nature or when circumstances warrant further action or investigation. While on suspension, a student cannot be on any school district property or attend any school-related activities.

**Habitual Discipline** – Any student considered a habitual discipline problem will be subject to expulsion for a minimum of one semester if, during one school year, the student has threatened or extorted or attempted to threaten or extort another student or teacher or other personnel employed by the school, has been suspended for initiating at least two fights on school property, or a record of five (5) suspensions from school for any reason.

**Expulsion** – Expulsion is the termination of enrollment because of behavior so serious that future attendance in the district is not contemplated.

## **DRESS AND APPEARANCE**

The Oneida School District reserves the right to insist that the dress and grooming of students are within the limits of generally accepted community standards and those students shall be required to show proper attention to personal cleanliness. Student’s dress, personal appearance and conduct are required to be of such character so as not to disrupt or detract from the educational environment of the school. Any style that tends to diminish instructional effectiveness or discipline control by teachers or school officials is not acceptable.

The administration reserves the right to disallow items of jewelry, clothing or other apparel that by their nature are deemed disruptive to the education environment of the school or may present a risk to the health, safe, and/or well-being of the student themselves or any other student.

Student dress and appearance are to be in accordance with the specific needs of Malad Middle School. Any changes made by Oneida School Board of Trustees will supersede the rules listed below.

# THE DRESS CODE

## ATTENDANCE POLICY

The Board of School Trustees requires that students enrolled in an ONEIDA SCHOOL DISTRICT #351 school must attend school regularly. **By state law, parents have the responsibility to send their children to school and public schools are charged with the responsibility to enforce attendance policies and maintain records of attendance. In all districts of this state all parents, guardians and other persons having care of children shall instruct them or cause them to be instructed in reading, writing, spelling, English grammar, geography and arithmetic. In such district every parent, guardian or other person having charge of any child between the ages of seven and sixteen years, shall send such child to a public, private or parochial school for the entire year during which the public schools are in session in such district; provided, however, that if a reputable physician within the district shall certify in writing that the child's bodily or mental condition does not permit its attendance at school, such child shall be exempt during such period of disability from the requirements of this section.**

**Regular and punctual patterns of attendance shall be expected of each student enrolled in Oneida School District #351. Student attendance at school is basically the responsibility of the parents/guardian and students. Every effort will be made by school personnel to keep the parent/guardian informed of student absences. If school efforts to improve student attendance is not successful additional corrective action may be taken. If a student misses 7 times in any given class, administration may refer the student to juvenile corrections for prosecution. Parents or guardians may also have legal proceedings brought against them for the truancy of their child. (Board Policy 3050)**

**Absences** – Attendance is taken in each class period each day. A student is considered absent any day that is missed that is not school related. These may include sickness, medical appointments, or high school events. The following cases do not count toward attendance enforcement and loss of credit:

- A student is on suspension.
- A student is participating in a school activity such as a field trip or Middle School athletic event.

**Absence Notes** – The school must have on file a doctor's note if the student is not to participate in PE due to illness or injury. Days missed because of court must be verified with original court documentation.

**Communication to Parents of Student Attendance Record** – A notice of the attendance record will be sent to the parent/guardian of the student.
