Re: Summer Lunch

Dear Parents and Community Members,

As the school year wraps up this week, we want to take a moment and let you know how much we appreciate you for your efforts in helping to keep our breakfast and lunch staff safe. We are so grateful that you participated in coming to the Elementary School and to the bus stop locations to receive breakfast and lunch. We served close to 700 meals every day during the COVID-19 shutdown! Thank you for being willing to adjust with us this past school year.

We regret to inform all of you that we cannot provide meals during the summer months. Currently, we are having a hard time getting food delivered, and the outstanding food preparation staff cannot serve the summer meals at the current rate or the way we have been. We are sorry that this service will not be available this summer.

Sincerely,

Elizabeth Kent
