

MALAD MIDDLE SCHOOL

Oneida School District believes that student learning can be enhanced through the use of technology and will support, encourage, and promote the use of various means of technology use, including but not limited to one-to-one computing devices.

If students are utilizing a Chromebook for educational purposes, the student and the parent must abide by and sign off on this policy before a device is issued to a student.

1. Use of electronic networks and devices shall be consistent with the District's goal of promoting educational excellence by facilitating resources, innovation, and communication.
2. Ownership to the Chromebook/Charger/Case and its contents remain with Oneida School District. A student's right of possession and use is limited to and conditional upon full and complete compliance with the following policies and guidelines:
 - Responsible Use Policy - Policy #3270
 - 1:1 Chromebook Project Handbook
3. Use of the District's electronic network and/or device is a privilege, not a right; inappropriate use will result in a cancellation of those privileges. Users have no expectation of privacy in any materials that are stored, transmitted, or received via the District's electronic network or device. The District reserves the right to monitor, inspect, copy, review and store, at any time and without prior notice, any and all usage of the network or device and any and all information transmitted or received in connection with such usage. The network system administrator, principal, and district administration will make all decisions regarding whether or not a user has violated these procedures. The district may deny, revoke, or suspend access to the District's electronic network or device at any time. Violations may include disciplinary action.
4. The District assumes no responsibility for any unauthorized charges or fees.
5. The user is responsible for his or her actions and activities involving the electronic device.

Examples:

- Using the Chromebook for an illegal activity, including violation of copyright contracts.
- Unauthorized downloading or installing of material.
 - Accessing, submitting, posting, publishing, or displaying any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, harassing, illegal material or cyber-bullying.
 - Unauthorized distribution of images, videos or audios of another person.

6. The user is responsible for the general care of the electronic device.

Examples:

- Do not permanently alter the Chromebook in any way.
- Do not stack heavy objects on the Chromebook.
- Do not eat or drink while using the Chromebook.

7. Any damage, neglect or loss of the Chromebook/Charger/Case will cause the Oneida School District to charge the student/parent replacement and/or repair costs based on the fair market value of the device.

I have read and understand the 1:1 Chromebook Project Handbook and I agree to abide by the conditions of this Chromebook Agreement.
