**“A Wise Alternative”**

**Student  
Handbook**

300 West 450 North  
Malad, Idaho 83252  
208.766.2255

On behalf of the superintendent and faculty of Oneida High School, we want to welcome you to school. We are looking forward to a successful year.

After considerable research, observation, and evaluation, we have determined that a „block” system would best meet the needs of at-risk students at Oneida High School. Each block is a three-week period in which students study only one subject. This allows the student to focus on the required course in depth and without interruption. Teachers are better able to individualize instruction, and student loads are reduced.

Block scheduling allows for a variety of innovative lessons. Students also have the time to comprehend the concepts being taught. Research has shown that the more time a student spends on a subject, the greater understanding. Another advantage of the block program is that teachers and students have more time to get to know one another and this results in better communication with stronger rapport.

**Students**, you are our focus. The faculty wants to do everything we can to provide a positive learning environment and to help you reach your goals. We encourage you to do all you can to get the most out of your education. It is up to you!

**Parents**, we encourage your involvement in the school. You are an important link in the educational process. If we all work together, we can provide a quality education to the students of Oneida High School. You always have an open invitation to the school. Please feel free to stop by and see our teachers. Call us if you have any questions or concerns. **Students succeed when they have the support of the home, the school, and the community.**

The **Student Handbook** is divided into six (6) sections: 1) Enrollment Requirements, 2) Credit Requirements and Schedule, 3) Attendance Policies & Procedures, 4) Discipline Policies & Procedures, 5) Activities & Services, 6) School Forms.

The Administrative Assistant and/or Principal will review the Student Handbook with the parent and student upon enrollment acceptance. Teachers will also go over the handbook during the first week of school. Please refer to the **Student Handbook** when you have questions. Please contact the school if you need additional information.

Sincerely,

Wendy Alder  
Principal

A student enrolling at Oneida High School from another district may transfer approved credits. Along with a “Request for Enrollment” application, transfer students need to bring their previous school withdrawal papers, a copy of their current transcript, birth certificate, immunization record, attendance record, discipline record, and a referral form. Failure to produce all of these forms will result in denial of enrollment, delay of enrollment and or possible placement on the school’s waiting list.

Home school, charter school, and unaccredited school credits are accepted only on approval from the administration.

1. Curriculum

- A. Oneida High School offers varied classes during the school year. One class is taught each block and some classes are only available once during the school year.
- B. All teachers will incorporate reading, writing, math, and spelling into each course curriculum.
- C. As part of our school curriculum, forty-five (45) minutes of class time are spent reading a book. Students are given the opportunity to read aloud, thus enhancing their reading proficiency. Students may then write a reflection to help increase their spelling and grammatical skills. For every six blocks of reading a student will receive one (1) elective credit per semester.

- D. Summer School classes may be held in Oneida School District for students to earn missed credits. Class availability will be based on student need.
- E. A student may earn up to four (4) credits by participating in the Work Study program. One (1) credit will be given for every one-hundred twenty (120) hours worked. Only one credit will be awarded per semester. A student must be approved prior to collecting hours for credit. Applications for this program are available through the administrative assistant.

## **SECTION 3: ATTENDANCE POLICIES AND PROCEDURES**

Alternative school studies show clearly that attendance issues are the major cause of student failure. Due to the short period of time available for a student to attend each block full time, attendance is a must! Frequent absences and or tardies detract from regular classroom learning experiences and disrupt the continuity of the educational process. This is particularly true in a block system. Students and parents must recognize the importance of attendance and punctuality at Oneida High School. In order to maximize educational benefits and to meet state requirements, students must conform to a strict attendance policy.

A student has a responsibility to:

1. Attend school every day except in cases of illness or emergency
2. Learn behaviors that will be needed in adulthood, such as responsibility, accountability, and punctuality
3. Make school a priority
4. Learn to recognize the connection between attendance and learning

### **ATTENDANCE POLICIES AND PROCEDURES**

1. Attendance policies and procedures
  - A. The first day of each block is a student orientation day. Each student will be required to attend or be dropped from the block, unless the absence is approved in advance by the staff. No credit for the course will be given. Doctor, dentist and other such appointments will not be excused.
  - B. The final day of the block is a test day. Each student is required to attend or be dropped from the block, unless the absence is approved in advance by the staff. No credit will be given if the student is not in compliance.
  - C. Only one (1) absence, for any reason, is allowed each block. This includes medical, legal and or any other reason. All time missed must be made-up under the direction of a teacher. Missed time must be made up before the end of the block to receive credit for the course. More than one absence during the block will automatically result in suspension for the remainder of the block, and no credit will be given.
  - D. Parents must notify the school if their son/daughter is absent. If a student is on juvenile probation, Oneida High School has an obligation to report the absence to Juvenile Services.
  - E. Parents will be notified by a letter if their son/daughter is absent, has two (2) tardies, or suspended from a block.
  - F. A student issued a citation or a court ordered subpoena will be excused for the amount of time missed. Written proof from court personnel must be given to the

school to validate absence. Actual court time and a reasonable amount of travel to and from court appointments will be allowed. Students must make up time missed.

- G. A student will be allowed to attend a funeral for an immediate family member or others upon staff approval. This is not counted as an absence, but the student will have to make up missed time.
- H. A student under the age of 16 will be referred to a truancy officer for nonattendance. (33-202 Idaho Compulsory Attendance Code)
- I. A student who is suspended or fails to attend school may have his/her driver's license suspended. (49-303A, Idaho Code)

- K. All attendance policies and procedures will be enforced on Oneida High School field trips.

## 2. Tardies

- A. Only two (2) tardies of fifteen (15) minutes or less are allowed per block.
- B. A student who is tardy must sign in with the administrative assistant before going to class.
- C. A student who comes to school after the fifteen (15) minute tardy limit is considered absent. Attending the day will allow the student to stay current in class. Any time missed must be made up after school under the direction of a teacher. Missed time must be made up before the end of the block to receive credit for the course.
- D. If a student is tardy a third time, he/she will be given an absence for the day. The student will have to make up a minimum of one (1) hour, or all time missed, in order to receive credit. If the student already has an absence during the block, he/she will be dropped from the block and receive no credit for the course.

## 3. Closed campus

- A. A student is not allowed to leave the building, for whatever reason, without permission. A student who is checking out must have teacher permission and parent/guardian approval before signing out.
- B. A student who needs to go to his/her car must be accompanied by a faculty member.
- C. Doctor or dentist appointments should be scheduled for after school.

- D. If a student becomes sick or needs to leave during school hours, he/she must sign out upon departure from Oneida High School. Parent approval is also needed to leave school.

- D. A student who does not successfully complete a block will be given no credit for the course. He/she will not automatically have a place in the following block. The principal will determine each individual situation based on openings and other academic reasons. The student may be placed on an enrollment waiting list.
- E. A student who does not academically complete a current block will be put on probationary status for the following block or the next block the student is enrolled.
- F. Two (2) "no credit" blocks can render a student ineligible to re-enroll. The student and parent/guardian may request a meeting with the principal and superintendent for re-enrollment consideration.
- G. A student must have three (3) successful blocks at Oneida High School, and a teacher recommendation, to re-apply at Malad High School or other area schools.

6. Petitioning for re-entry

- A. A student who has been suspended from a block will need to call the administrative assistant to set up an appointment for re-entry. Students are to

arrange the date and time for their petition. Appointments will be held after 1:30 p.m. on specified days and on Fridays at the end of a block.

- B. A student must have a meeting with the principal to be considered for reenrollment. Parents may be asked to attend based on teacher recommendation.
- C. A student will be expected to tell why he/she is petitioning for re-entry and what the student will do to ensure success at Oneida High School.

7. Waiting list

- A. A student may be placed on the school waiting list due to an excess of student enrollment, disciplinary action, taking a block off, or other related circumstances. A parent/guardian will be notified when a student has this status.

## **SECTION 4: DISCIPLINE POLICIES AND PROCEDURES**

It is not the intent of the School Board of District #351 or the administration of Oneida High School to proscribe every possible action that would be detrimental to the operation of the school. The following however, highlights key areas. Other disciplinary related issues will be dealt with as they surface and will be addressed with similar intensity as those listed.

**STUDENT INJURIES:** Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and a part of the growing-up process. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school. Oneida School District #351 does not provide medical insurance for students injured at school. This is the responsibility of the parents or legal guardians.
