

ONEIDA SCHOOL DISTRICT #351

Caring & Educating.

February 19, 2019

Dear Oneida Board of Trustees,

It is a pleasure and honor to recommend to you Lynette Price as the Oneida School District Employee of the Month. Lynette serves as a sub for our district. I would like to share with you how long she has worked for our district, but we were not able to trace back that far. One of the reasons she has become so valuable is due to her experience. She has subbed in every classroom level and subject. You will also find her sitting in the secretary's seat subbing for our secretaries. Every assignment she is given, she does a great job at.

When I told some of our principals and secretaries that she was being nominated as Employee of the Month, they all commented how deserving she is of this recognition. Some of the comments that were made are as follows:

Lynette is always willing to sub no matter what time of day it is. She is willing to take any class. She is not afraid to make the kids tow the line even if their teacher is not there. She expects them to do their best.

Lynette Price is versatile. She can teach a class. She can assist a teacher. She works well with students. She can manage an office.

Lynette Price is reliable. When we need help, Lynette is there.

Student learning is paramount to what we do. Lynette Price has been paramount to keeping things moving in the right direction.

We thank Lynette for the devoted service that she has given the Oneida School District. We appreciate the positive impact that she has had on our students over the years. Lynette is a very valuable employee of our district

Sincerely,

Rich Moore, PhD.
Superintendent
Oneida School District
