Re: Free Breakfast & Lunch

Dear Parents,

On August 31, the USDA announced the release of funds allowing schools to provide free breakfast and lunches through the end of December.

In an effort to help families who may not qualify for free and reduced lunches and may be suffering from the effects of Covid-19, Oneida School District will be implementing the USDA free breakfast and lunch for all **students**. This will start on **Thursday, October 1, 2020**. Free meals will only be in effect until the end of December 2020 or until the funding runs out. We encourage all students to take advantage of this opportunity.

Negative balances and lunch purchases incurred prior to October 1, 2020, in the cafeteria will still need to be paid. All lunch money currently paid will remain on the students' accounts as a credit.

At the beginning of 2021, students will be paying for breakfast and lunches according to what they have qualified. Please continue to fill out the Free and Reduced applications. This will help us to be ready to go for January 1, 2021

Sincerely,

Jean Coburn

Food Services Director

Oneida School District #351
