

# ONEIDA SCHOOL DISTRICT #351

*Caring & Educating.*

May 21, 2019

Dear Oneida School Board,

It is an honor and privilege to present to you Tami Williams who has been nominated and selected as the “Employee of the Month” of the Oneida School District. Tami has served in the district for many years. Her teaching skills has made her one of the favorites among the students. I love to observe her instructional strategies. When I visit her classroom, the students are highly engaged and actively learning. Her skills as a teacher are born out year after year in her high testing results. She is always eager to continue to add to her skills. She is a true example of a life-long learner.

Tami has been an employee is one who has gone the extra mile. She is willing to serve on various committees and programs. She is mindful of other’s needs. This is one of the reasons that she is so well like among her peers. It is because of this quality of caring for others that she is leaving and going to serve family members who need her support.

We will miss this great teacher. She has truly made a difference in the lives of thousands of students.

Sincerely,

Rich Moore, PhD.  
Superintendent

### **Tami Williams is the Employee of the Month (May) for Oneida School District.**

Tami has taught here for many years. I'm not sure on exact number but my wife Paula talks about how much she loved Mrs. Williams as her middle school reading teacher.

Tami is generous with her time and resources. As a veteran teacher she approaches every day like a new adventure, always working to improve. She has been a lifelong educator and none of us believe that her teaching years are done. She has been a positive influence with all of us. She is such a generous and kind person and her example has been at the highest professional standard.

We love you and we will miss seeing you here every day. We appreciate your commitment to student learning and your willingness to help all of us.

Thank you Tami!

Sincerely,

Robert Hannah, Principal
